## STURGIS IN HARRISBURG

As many of you know, we represent motorcyclists across the state. We have been told by clients that there are two kinds of motorcycle riders in the world: those who have been to Sturgis and those who want to go.

Now you can go, without even leaving Central Pennsylvania.

We are excited to announce that the inaugural Sturgis Road Show event is taking place right here in Harrisburg, at the Farm Show Complex. The Show will run from April 15th through April 17th. The event is sponsored by, among others, the famed motorcycle lawyer, Russ Brown, and his group B.A.M., as well as Harley Davidson and Jack Daniels. Basically, the event is taking some of the best attractions of Sturgis and bringing them right here to Harrisburg. In fact, the event will include the legendary Buffalo Chip Concert Stage with performances by Tesla, Styx and Bachman Turner Overdrive. Other attractions will include food, drink and entertainment by the Loud American Roadhouse, the Jack Daniels' Experience, legendary custom bike builder Dave Perewitz, vintage motorcycles and memorabilia from the Sturgis Motorcycle Museum and a ton of other demonstrations and exhibits. The event will also feature The Sturgis Road Show Championship, part of the Custom Chrome International Bike Show Series. These are just a few of the great attractions, for a full list and additional information check out the website: <http://sturgisroadshow.com/>

As a special opportunity for Shollenberger & Januzzi clients, we have arranged for our clients to meet Russ Brown. You will even have the opportunity to get your picture taken with the man you see in almost every Harley related magazine. The exact date and time is still to be determined, but if you are interested please contact Adam Wolfe, a partner at the firm, as soon as possible. Space is limited and it is expected to fill up fast. **See you at Sturgis!**

## DID YOU KNOW?

...There is a renewed effort by some members of the Pennsylvania legislature to enact legislation that would greatly diminish the rights of injured and disabled people across the state. This is a serious attack on every Pennsylvanian's right to be fairly compensated for serious injuries they sustain. To get involved in the effort to thwart this legislation, contact our firm for more details.

...If you are receiving or entitled to worker's compensation benefits, you may be eligible to receive a lump sum settlement. If you or someone you know is receiving these benefits and is interested in a lump sum settlement, please do not hesitate to contact Karl Januzzi, a partner at Shollenberger & Januzzi, who has successfully handled similar cases for fifteen years.
